

Preparing for an AACSB MAC Visit

Raymond Papp

The University of Tampa

Submitted to the ***2009 Academic and Business Research Institute Conference***
September 24 - 26, 2009

This presentation will discuss how to prepare for an AACSB MAC (Maintenance of Accreditation) visit. The University of Tampa was recently reaccredited and the process and methodology will be discussed. The MAC documents will be reviewed and a copy of our MAC documents will be presented. The presentation will conclude with a Q&A session during which questions about the visit will be addressed.
