Title: Developing Students' Growth Mindsets Through Literacy

Objectives:

Participants will learn about:

- The importance of developing students' growth mindsets
- Children's literature that provides opportunities for lessons about growth mindsets
- Strategies for implementing growth mindsets in the literacy curriculum

Content to be Presented:

I will present research on the importance of developing elementary school students' growth mindsets. Then I will share children's literature that contains examples of growth mindsets and effective strategies for implementing growth mindsets in the elementary literacy curriculum.
